

I listen to K-Love everyday on the way to work and it really refreshes me! K-Love serves me as a resident of San Antonio by praying for me daily when I ask. I donate money to K-Love every month because I don't want them to leave my area and I would be very upset if they were displaced by a LPFM. K-Love is the only positive and encouraging radio station in my area and the city would be devastated if all there was to listen to was rock and rap which talks about nothing good or positive and it doesn't encourage me at all. I need K-Love, I pray with them and listen to the scriptures and I just need this station to lift my spirits in the morning and night! Please don't let an LPFM take their spot on the FM dial!
